

I'm excited to start putting newsletters online to save paper and a way for parents to access newsletters if they need to without worry of losing hardcopy.

SHOWING MY GRATITUDE!

I'd like to take this time to thank all parents for being there for me in this trying time by still paying fees to hold spots even if you are working at home-or for whatever reason you are not coming right now.

Thank you to those who donated supplies too!

If it weren't for you awesome families, I would surely go out of business! Thank you so much and I appreciate all of you!

I wanted to keep everyone updated on what we are doing to keep everyone safe and healthy here. We are doing hourly washing hands and hand sanitizer breaks

as well. Toys and furniture are cleaned daily with bleach.

We are even practising distance playing by doing some independent play time breaks.

Please stay safe!
